

March 22, 1976

we would be able to ascertain where we were with our spending as to our revenue. Thank you, and I think this would, then, escape that motion.

PRESIDENT: Is there any objection from those who either voted for or against that motion of Senator Duis to our proceeding with LB 674A. Let the record show that there was no objection. Report the vote, Mr. Clerk.

CLERK: Record vote read. See pages 1262 and 1263, Journal. 45 ayes, 0 nays, 4 not voting.

PRESIDENT: LB 674A passes. Please read on Final Reading LB 797.

CLERK: Read LB 797 on Final Reading.
The bill reads "at the general election in November, 1964", rather than 1974. You can't have that.

PRESIDENT: Senator Syas.

SENATOR SYAS: In the first line it is November of 1976 but then it says at the general election to be held in November of 1964. I don't think that there is anything wrong but maybe we had better check it.

CLERK: I sure would.

SENATOR SYAS: I believe we had better check it before we go on. I don't either but I would rather be sure than sorry, wouldn't you?

CLERK: That may well be right. Okay. (Continued reading.)

PRESIDENT: All provisions of law relative to procedure having been complied with, the question is, shall LB 797, constitutional revision, pass? Record your vote. Have you all voted? Record.

CLERK: Record vote read. See page 1264, Journal. 43 ayes, 0 nays, 6 not voting.

PRESIDENT: LB 797 passes. That completes Final Reading.

CLERK: Okay, Mr. President, we have one new resolution, Legislative Resolution 144 introduced by Senator Koch requesting that the Legislature's Government Committee conduct a study in the feasibility and workability of establishing a Nebraska Fire Service Training Agency and Fire Training Academy. It will be referred to the Executive Board for appropriate action.

PRESIDENT: Yours?

CLERK: Yes, Mr. President, your committee on Enrollment and Review reports we have examined and reviewed LB 176 and find the same correctly engrossed. Signed Senator Dworak, Chairman. That is all, Mr. President.
